# WHAT IS SPHYNX LABS?

Sphynx Labs is a time-tested and registered entity in New Zealand. We have been building every aspect of Sphynx Labs as a whole for over two years now with the guidance of our CEO, and New Zealand native, Zaidoun “Lonzo” Alowbydi.

The following are some of our accomplishments :

- All-in-one trading platform supporting over 23+ chains
- Sphynx DeFi App on Android and Google
- Full development suite for other crypto projects
- SPay Financial Services

# PURPOSE

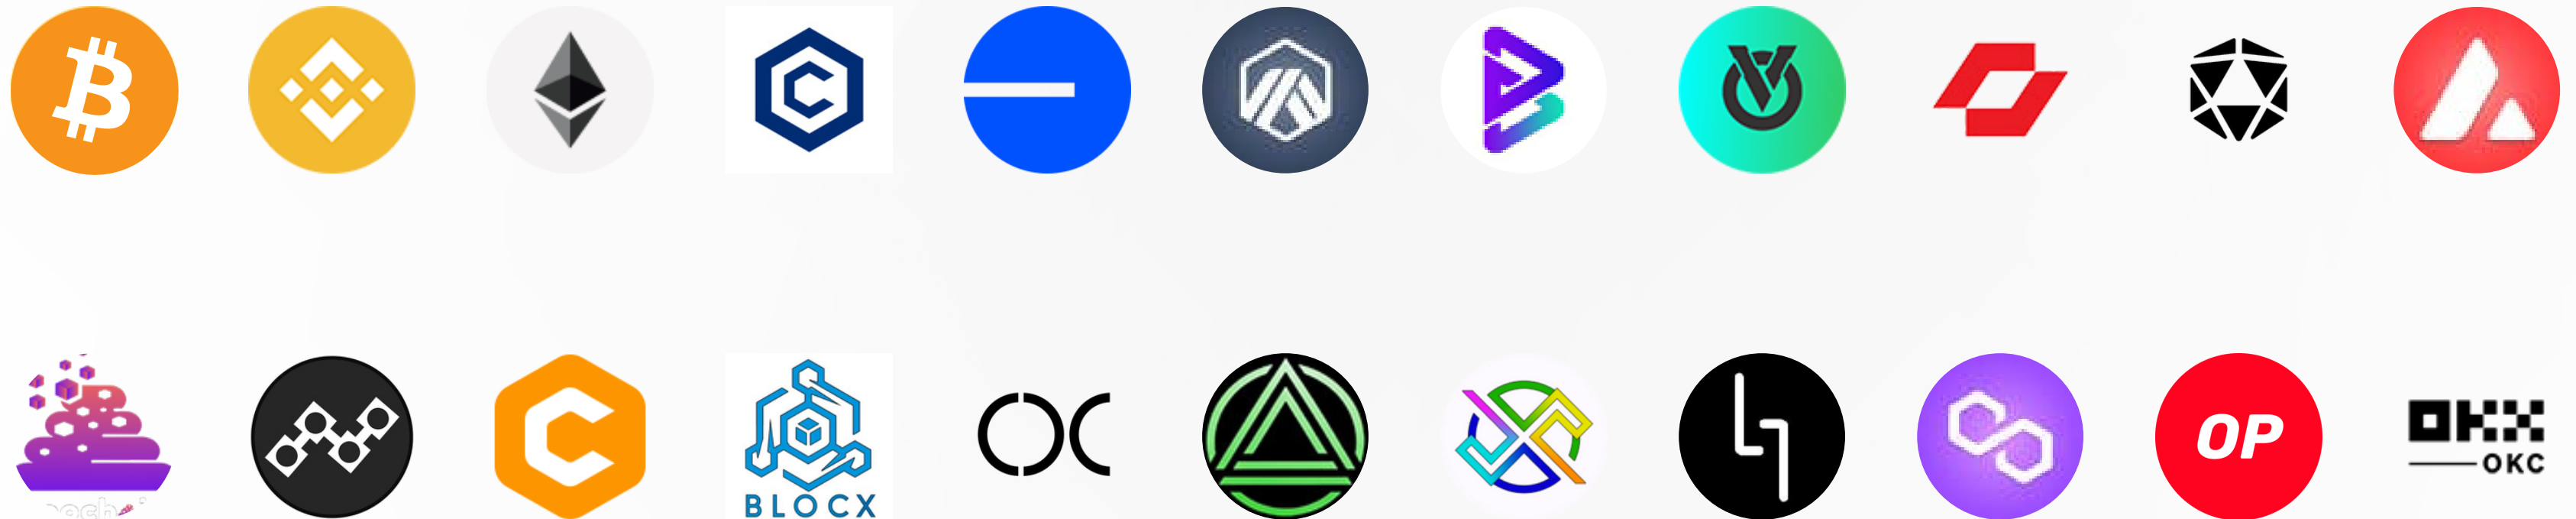

Sphynx Labs stands out as a pioneering company committed to dismantling barriers to entry for individuals looking to venture into the world of cryptocurrency. With a mission to simplify and streamline the complex process of getting involved in crypto, Sphynx Labs has emerged as a game-changer in the industry.

Through innovative solutions and user-friendly platforms, the company ensures that even those with limited technical expertise can easily navigate and participate in the crypto space. By breaking down the intimidating walls that often deter potential enthusiasts, Sphynx Labs is playing a crucial role in streamlining access to cryptocurrency, making it more inclusive and accessible for everyone.
